Global Vikas Trust,  
Mumbai

Dear Mayank,

We wish to express our sincere appreciation for the work being done by Global Vikas Trust (GVT) for the upliftment of farmers. Having faith in the work and vision of GVT, Motilal Oswal Group has sponsored the Krishkul project – a state of art farmer training centre at Beed.

We are hopeful that this training centre will bring revolutionary impact in the sector of agriculture across India.

Kudos to the entire team and we look forward to a long association with GVT.

Best Wishes,
