Subj: Appreciation for the work being done in Parli, Marathwada for farmer livelihoods

Dear Mayank,

We wish to place on record the sincere appreciation for the work being done by you and the GVT team towards farmer livelihoods and upliftment in the drought prone areas of Marathwada.

Shapoorji Pallonji Group's association with GVT extends now beyond 5 years and in this time we have witnessed exemplary work being done by the team both in designing the programme and implementing it. The monitoring and feedback mechanism set up by GVT is also excellent with regular field monitoring, detailed farmer-wise data collection and management and up-to-date Reports being submitted to us regularly.

We compliment you on the great work and look forward to a long association with you and team.

Best wishes to GVT.

Yours sincerely,

Zarine Commissariat
